DISCLAIMER: Herbst Brothers Seedsmen, Inc., warrants to the extent of the purchase price that seeds or bulbs are as described on the container, within recognized tolerances. Seller gives no other or further warranty, express or implied.

HERBST BROTHERS SEEDSMEN, INC.

Flower Seeds

23

During the past year our perennial flower seed business has again increased in many ways.

- (1) More satisfied customers
- (2) Greater number of varieties
- (3) Larger volume

Quality alone is responsible for this as we have no salesmen and our advertising budget is very modest. You get the very considerable saving.

New customers are requesting our catalog and ordering on recommendations of others.

The prime producers or growers of fine flower seed is very limited in our country as well as overseas. These growers furnish us their best seed. Try it. Satisfy yourself.

F₁ Hybrid Petunias surpass open pollinated strains in greater growth vigor and much longer flower season. Blooms are uniform in both size and color and flower profusely till killing frost. Plant habit is so uniform that they make excellent specimen subjects, borders, and solid beds. Early flowers make them extra attractive to plant growers.

TRUE HAND POLLINATED F₁

For the commercial grower we have three fine F₁ hybrids. Compared with open pollinated strains they mature earlier, produce large, uniform fruit and have a long harvest season. Your plant customers know the value of F₁ Hybrids and will be eager buyers of the following:

No. 68E (Rutgers x Valiant): The best for eastern use. Somewhat earlier than Rutgers, steady, continuous yield, fine smooth fruit. Remarkable hybrid vigor.

No. 23V (Valiant x Earliana): Preferred for its earliness and continuous yield. Fruit comparable to Valiant, smooth and free of blossom end cracks.

Pink F₁ Hybrid No. 4: Widely used where Pink Tomatoes are popular. Described by Mr. Sakata as "Large pink Ponderosa type, but far better fruit and heavier cropper. Each fruit weighs about $\frac{3}{4}$ lbs."

As many home gardeners prefer the large Beefsteak fruit, it will pay to have plants available.

Prices $\frac{1}{4}$ oz. \$2.50, oz. \$7.50, $\frac{1}{4}$ lb. \$22.50
